The NEGRONI is an imposing yet extremely contemporary line. The robust doors framed by 8cm of solid wood give expression to these strong pieces. It combines Oak Veneer and Solid Wood, and it's available in three finishes: Natural, Coffee and Wengué.

There are two pieces available in the NEGRONI line, the Sideboard and the Showcase. The Sideboard has two adjustable shelves on the inside, which can be lacquered in any colour in the RAL catalogue. The Showcase can have the doors made in Wood or Glass, and the interior can be plated with Gold Zinc. The hardware in both pieces is delicate and discreet, but still sturdy and perfect for everyday use. There is the option to put LED strips inside both the Sideboard and the Showcase to create an even more impressive piece.
